

Reading Newsletter **Summer B**

Hi there!

Welcome to your final Reading Newsletter of this year and my final one as Reading Lead before Miss Wright takes over from September. It has been such a wonderful year for Reading at Coppice Academy, with regular awards, celebrations, clubs and events throughout the year. Whether it's reading for pleasure, empowerment or knowledge, the passion our school has for reading is at the heart of what we do and we look forward to another successful year next year.

● What is the Summer Reading Challenge?

The UK's **biggest** reading for pleasure programme for primary school children in libraries, encouraging children to read for fun during the school holidays.

● Who can take part?

The Summer Reading Challenge is a flexible programme, designed for all levels of ability. It is open to **all children aged 4-11**. Some library services also offer early years activities.

● When does it start and how can children sign up?

The Challenge runs throughout the **summer holidays** in the majority of UK public **libraries**. Children can sign up at any time during the Challenge period, either at the library or online at summerreadingchallenge.org.uk. Check start and finish dates with your local library service.

● What does the Challenge involve?

At the library:

- A child visits their local library to sign up and pick up a Summer Reading Challenge folder
- They set a reading goal and borrow books of their choice
- They collect bespoke stickers and incentives from the library for their reading, including a certificate for reaching their reading goal

Online:

Alternatively, children can take part in the Challenge online at summerreadingchallenge.org.uk where they will set a reading goal and unlock digital rewards including a PDF certificate. They'll get book recommendations and tips for accessing books for free at home.

● What will children read for their Challenge?

The Challenge is all about reading for fun, so children can choose to read anything they like.

Really - anything! Audiobooks, e-books, fiction, non-fiction, comics, joke books, poetry, graphic novels... it all counts! Library staff and volunteers will help children discover new reads which suit their interests and reading level.
